DECLARATION

As a result of efforts undertaken since its initial transparency report, **[Botswana]** declares that it has fulfilled its obligations under Article 3 of the Convention by having destroyed or ensured the destruction of all cluster munition stockpiles and determined that there are no longer any such stockpiles under its jurisdiction or control. In the event that previously unknown stockpiles of cluster munitions, including submunitions, are discovered after the date of completion, **[Botswana]**, in keeping with Article 7 paragraph 1(g), will immediately inform States Parties of such a discovery and share this information through annual transparency reports and any other fora including Meetings of States Parties, Review Conferences and informal meetings of the Convention. If **[Botswana]** believes that it will be unable to destroy or ensure destruction of all newly discovered cluster munitions within its Article 3 deadline it may submit a request to a Meeting of States Parties or Review Conference for an extension of the deadline by a period up to four years as stipulated in Article 3. If such a discovery is after the original Article 3 deadline and **[Botswana]** is unable to destroy such cluster munitions before the next Meeting of States Parties/Review Conference, it may request an extension of up to four years to complete such destruction.
