

DIPLOMATIC CONFERENCE FOR THE ADOPTION OF A CONVENTION ON CLUSTER MUNITIONS

CCM/35

19 May 2008
Original: ENGLISH

DUBLIN 19 – 30 MAY 2008

Proposal by Switzerland for the amendment of Article 5

1. Each States Party with respect to ~~cluster munition~~ victims in areas under its jurisdiction or control shall, in accordance with **applicable** international human rights law **standards**, adequately provide for **the access and quality of** their medical care and rehabilitation, psychological support and social and economic ~~inclusion~~ **reintegration as well as a participatory inclusion**. Each State Party shall make every effort to collect reliable relevant data with respect to ~~cluster munition victims~~ **all victims in global and already existing data collection system if available**.

2. In fulfilling its obligation under paragraph 1 of this Article each State Party shall take into consideration relevant guidelines and good practices in the areas of medical care and rehabilitation, psychological support as well as social and economic inclusion **and the practices and frameworks developed to assist the victims in the context of other multilateral disarmament/arms control instruments**.

3. In fulfilling its obligations under paragraph 1, each State Party shall endeavour to enhance in the most efficient and effective way existing State responses to the medical care and rehabilitation, psychological support and social and economic inclusion needs of its population, including cluster munition victims and other persons with disabilities.

4. In fulfilling its obligations under paragraph 1, each State Party shall ensure that there is no discrimination between cluster munition victims and those who have suffered injuries or who live with disabilities resulting from other circumstances.
