DUBLIN 19 – 30 MAY 2008

Proposal by Denmark, France, Germany and Sweden for the amendment of
Article 6

9.bis Each State Party that receives assistance shall take all appropriate measures in order to facilitate the timely and effective implementation thereof, including by collecting and releasing all relevant data and information, by granting favourable entry and visa regimes for international personnel involved in assistance programmes, and by ensuring the unimpeded import of relevant material and equipment free of financial and administrative burdens.
