DUBLIN 19 – 30 MAY 2008

Proposal by Philippines for the amendment of Article 5

1. Each State Party with respect to cluster munitions victims in areas under its jurisdiction or control shall, in accordance with international human rights law **and international humanitarian law**, adequately provide for their medical care and rehabilitation, psychological support and social and economic inclusion. Each State Party shall make every effort to collect reliable relevant data with respect to cluster munition victims.

2. In fulfilling its obligation under paragraph 1 of this Article each State Party shall take into consideration relevant guidelines and good practices in the areas of medical care and rehabilitation, psychological support as well as social and economic inclusion.

New para: When a State Party, before entry into force of the Convention for it, has used or abandoned cluster munitions in areas under the jurisdiction or control of another State Party, the former State Party shall have the responsibility to help the latter State Party in addressing the requirements of victim assistance as delineated in Article 5(1).
