DUBLIN 19 – 30 MAY 2008

**Proposal by Argentina, Costa Rica, Ecuador, Guatemala, Lebanon, Mexico, Palau
and Uruguay for the amendment of Article 2**

For the purposes of this Convention:

“**Cluster munition victims**” means persons who have suffered physical or psychological injury, economic loss, social marginalisation or substantial impairment of the realisation of their rights caused by the use of cluster munitions. They include those persons directly impacted by cluster munitions as well as their families and communities;

“**Cluster munition**” means a munition that is designed to disperse or release explosive sub-munitions, and includes those explosive sub-munitions. It does not mean the following:

- (a) a munition or sub-munition designed to dispense flares, smoke, pyrotechnics or chaff;
- (b) a munition or sub-munition designed to produce electrical or electronic effects; .
