Ref: Information on the Eleventh Meeting of the States Parties (11MSP)

Excellencies, dear colleagues,

I am honoured to address you in my capacity as the President of the 11th Meeting of States Parties to the Convention on Cluster Munitions (11MSP), which is scheduled to take place on the 11th to 14th September 2023, at the Palais des Nations, Room XIX.

The 11MSP is a significant event as it marks the second year of implementing the Lausanne Action Plan (LAP). As we approach the 11MSP, it becomes imperative that this event serves as a pivotal platform to intensify the implementation of our shared goals.

During the 11MSP, States Parties will have a valuable opportunity to present their latest updates on the progress made in implementing the Convention since the 10MSP. This occasion will facilitate the exchange of best practices, insights into challenges faced and success stories, fostering a spirit of collaboration and mutual learning. Moreover, the 11MSP will provide a platform for Signatories and States not Parties to report updates on their ongoing efforts towards accession or ratification of the Convention.

Attached to this letter, you will find the provisional agenda as well as the provisional annotated programme of work of the 11MSP.

In the upcoming weeks, we will provide additional information on the 11MSP to ensure your thorough preparation for the event. Therefore, we encourage you to regularly visit the following 11MSP webpages for the latest updates on documents and other important information:
