

VIENTIANE ACTION PLAN 2010-2015

States Parties with cluster munition stockpiles will:

- **Action #8** Endeavour to, within one year of entry into force for that State Party, have a plan in place for the destruction of stocks that includes a timeline and budget and begin physical destruction as soon as possible.
- **Action #9** Ensure that problems that may cause obstacles to planned destruction are disclosed in a timely manner to States Parties and relevant organizations in situations where assistance is required to meet stockpile destruction obligations.

VIENTIANE ACTION PLAN 2010-2015

States Parties with obligations to destroy stockpiles, clear affected areas and assist victims should:

- **Action #33** Endeavour to, within one year after entry into force for that state party, develop or update comprehensive national plans for meeting all obligations concerning stockpile destruction, clearance and victim assistance, identify resources currently available to meet these obligations and identify needs for international cooperation and assistance.
- **Action #34** Identify and engage with relevant civil society groups, corporations, international organisations, and other States Parties that may be in a position to assist in addressing these gaps.
- **Action #35** Identify other affected States Parties as soon as possible and use meetings of the Convention and other bilateral and regional opportunities to exchange of information and technical expertise so as to be able to gain from each other's experience in implementation of the Convention.
- **Action #36** Promote technical cooperation, information exchange on good practices and other forms of mutual assistance with other affected States Parties ...

States Parties in a position to do so should undertake the following:

- **Action#37** Respond to requests for assistance to increase clearance, victim assistance and stockpile destruction work by States Parties ...
- **Action #38** Promptly assist States Parties that have requested support ...
