

**INTERSESSIONAL MEETINGS OF THE STATE PARTIES TO THE CONVENTION  
ON CLUSTER MUNITION,  
GENEVA, 16-19 APRIL 2012**

**Statement by Mr. Predrag Rakocevic, Adviser in the Ministry of Defence of  
Montenegro**

Mr. coordinator i would like to explain position of Montenegro about of survey

Clearance has been conducted of several locations in Montenegro by the army groups  
and others operators after 1999.

It has not been conducted fully according to humanitarian mine action standards.

Montenegro has planed to conduct survey in the coming period to established  
contaminated areas.

Thank you.
