

## **6. Cooperation and assistance**

**(Wednesday 29 June, morning session)**

**(Chair: South Africa)**

- The UN remains available to enable the facilitation of international cooperation and assistance consistent with actions #33 to #50 in the Vientiane Action Plan, to states affected from the use of cluster munitions and/or in possession of stockpiles of cluster munitions.
- Recall that the UN is assisting with mine action and victim assistance activities related to cluster munitions in a number of countries (see above).
- Reiterate support to South-South cooperation
